Professional Summary

Information Technology student at ADA University (CGPA 3.89/4.00) and software engineer at AzInTelecom, developing backend services for the SİMA İmza digital-signature platform. Nearly three years of professional experience building web applications and APIs with C#, .NET, SQL Server and React.js, and teaching assistant experience in three university courses. Particularly interested in distributed systems and secure, scalable backend architecture, which is also the focus of my graduation project.

Education

09/2022 – 06/2027 (expected)
Bachelor of Science in Information Technology
ADA University, Baku, Azerbaijan — CGPA: 3.89/4.00

02/2025 – 06/2025
Exchange Semester, Faculty of Science and Technology
University of Latvia, Riga, Latvia

10/2022 – 06/2023
Full Stack Web Development Course
MilliSoft, Baku, Azerbaijan — certificate of completion

Professional Experience

05/2026 – present
Software Engineer (hybrid, full-time since 09/2026; on-site intern 05/2026 – 08/2026)
AzInTelecom, Baku, Azerbaijan — backend services for the SİMA İmza digital-signature platform

- Develop backend services for a QR-based document-signing flow, including support for several protocol versions and signature verification for mobile API requests.
- Migrated tenant-management and mobile client APIs to a new global .NET 8 platform while keeping released iOS/Android apps working.
- Investigate and fix issues in distributed services using logs and Sentry; work on event-driven and multilingual services with Kafka, MongoDB and Redis.

02/2024 – 05/2026
Software Engineer (hybrid, full-time)
MilliSoft Studio, Baku, Azerbaijan

- Developed and maintained production web applications and REST APIs using C#, ASP.NET Core, Entity Framework Core, SQL Server and JavaScript.
- Contributed to MasterSchool Portal, an education management platform covering students, groups, contracts, payments, attendance and reporting.
- Developed backend features for Sensible Accounting Software, an accounting platform for sole proprietors, and worked on an e-commerce site with payment integration.

08/2025 – 09/2025
BIM Automation Intern (remote, part-time)
Arxitech, Baku, Azerbaijan

- Developed Revit plugins using C# and the Revit API to automate modeling tasks, data extraction and BIM workflows.

10/2023 – 07/2024
Front-End Developer (remote, part-time)
ToorLin Tournaments (startup), Baku, Azerbaijan

- Developed a responsive gaming platform featuring real-time chat, tournaments and rewards using React.js.

01/2024 – 06/2024
Full Stack Development Mentor (on-site, part-time)
MilliSoft, Baku, Azerbaijan

- Mentored learners in C#, JavaScript, ASP.NET, database integration and practical full-stack development.

Academic Honors and Awards

Fall 2025, Spring 2026
Lotfi A. Zadeh List of Honor — 100% tuition scholarship
ADA University — awarded for outstanding academic performance

Spring 2024, Fall 2024
Dean's List of Distinction — 50% tuition scholarship
ADA University — awarded for high academic performance

2022
Rector's List of Honor — 100% first-year tuition scholarship
ADA University — based on a university entrance examination score of 663.2/700

Academic and Teaching Experience

2026 – 2027 (ongoing)

AI-Optimised Micropayment Batching and Settlement

Senior Design Project (graduation project), ADA University, Baku, Azerbaijan

- Designing an adaptive, machine-learning-based batching system for micropayment settlement in distributed environments.
- Evaluating transaction throughput, confirmation latency, settlement overhead and fault tolerance against fixed batching strategies.

09/2025 – present

Teaching Assistant (on-site, part-time)

ADA University, Baku, Azerbaijan

- Supported students in labs, assignments and debugging in Web & Mobile I (09/2025 – 01/2026), Principles of Programming II, Java and OOP (02/2026 – 05/2026), and Cyber Security Fundamentals (09/2026 – present).

Leadership, Volunteering and Community Engagement

01/2026 – present

ADA ACM Student Chapter — Event Manager

Organize technical and student-focused events at ADA University

10/2026

DevFest Baku 2026 — Organizing Team (ADA ACM Student Chapter)

Annual developer conference of Google Developer Groups (GDG) Baku, held at ADA University

05/2026

TechFront Summit 2026 — Organizing Team (ADA ACM Student Chapter)

Student technology summit at ADA University; assisted with event organization and coordination

12/2025

"Hand in Hand for Children" — Social Responsibility Project

ADA University, Leadership, Ethics and Communication course. Initiated a team project to promote digital literacy and online safety among children in an orphanage, including a planned donation website for community contributions

02/2024 – 05/2024

Startup Programs — ToorLin Tournaments

KOICA Startup Acceleration Program (02/2024, top 10 participants), Viveka Company Creation Program (03/2024) and SABAH.HUB Incubation Program (05/2024) — certificates of completion

Technical Skills

Backend	C#, .NET, ASP.NET Core Web API, ASP.NET MVC, Entity Framework Core, Dapper, REST, SignalR, Hangfire
Frontend	React.js, JavaScript, jQuery, Ajax, Axios, HTML5, CSS3, Bootstrap
Databases	MS SQL Server (SQL, stored procedures, query optimization), MongoDB, Redis, PostgreSQL, S3-compatible storage
Tools / DevOps	Git (GitHub/GitLab), Docker, Kubernetes (basic), CI/CD (GitHub Actions, GitLab CI), Postman, Swagger, Sentry, Kafka (basic), RabbitMQ (basic), Elasticsearch/Kibana (basic)

Language Skills

Azerbaijani	Native
English	Fluent
